During the past six months I have been developing a program that will fulfil the needs of those children who are bright enough to learn to read, write, spell but who are failing to do so in their own classroom. These students are a recognised group who despite the child's, their parents and the teacher's best efforts fail to learn this fundamental skill. Starting term 2 (2012), I am pleased to inform you that I will be offering, in Spotswood, intensive, focused, small group teaching for dyslexics.

I will be running two sessions initially, one from 12.00am - 3.00pm that is ideal for young students. I'm a registered teacher so students should not be considered absent from education just from their home school.

The other group is from 4.00pm - 7.00pm and is more appropriate for older students, though I am prepared to negotiate for grade 6 students to attend from 4.00 - 6.00pm.

The maximum number of students in each group will be six and the cost will be \$90 a week for a three-hour session. Half price will be charged if a cancellation is made with less than 24-hours notice.

The group is to meet at St Mark's Anglican Church 622 Melbourne Rd, Spotswood and starts on 19/4/12.

Please contact me on [AJxn@bigpond.com](mailto:AJxn@bigpond.com) or 0409 172 078 as places will fill fast.
