**Holiday Programs - January 2009**

**Enrichment Workshops for Gifted and Talented Students**

The Museum of Ancient Cultures at Macquarie University invites Gifted and Talented students in Years 5/6 and Years 7/8 to join us on holiday adventures exploring the ancient world. Students are able to explore archaeological methods at Australia's leading university for the study of the ancient world.

**Activities will include:**

- handling genuine ancient artefacts
- documenting and illustrating artefacts
- crafting replica artefacts
- an introduction to ancient languages
- a tour and group activities in the Museum

These enrichment programs are designed to challenge Gifted and Talented students while developing higher-order critical thinking skills. All activities are led by experienced teachers, academics and museum professionals.
