

Mark your calendars for the 9th annual PG Retreat!

Thursday July 2 - Monday July 6, 2009
Glen Eyrie Conference Center in Colorado Springs, Colorado

PG Retreat is an annual summer program organized by and for the families of profoundly gifted children. PG Retreat brings adults and children together for shared connections and community with true peers. Our gathering provides an opportunity to meet, learn, socialize, and yes, even play with other children who are developmentally advanced. Siblings are also welcome at this unique opportunity to connect with 30 or 40 other families of PG kids in a tranquil, safe setting.

*"My best friends
are the ones I've
met at PG Retreat!
I love being able
to stay in touch
with them all year
long!"*

Rachel G., age 15,
