TAOC®

THE ART OF CONVERSATION

Designed to revive the Art of Conversation, TAOC is a fabulous way to make all get-togethers of families and friends memorable.

TAOC can even help revive relationships! And get the whole family talking again!

With 300 fascinating, conversation building questions, plus 4 blank cards on which to write your own TAOC questions, this game is for everyone.

The only knowledge needed to successfully contribute to TAOC is your own life experiences, interests and ideas.

Ages: Adults to children – may be played at various levels.

TAOC is also a wonderful therapeutic, educational and corporate resource.

Every time TAOC is used, new and harmonious outcomes evolve.

The Talking Game that Everyone is Talking About!

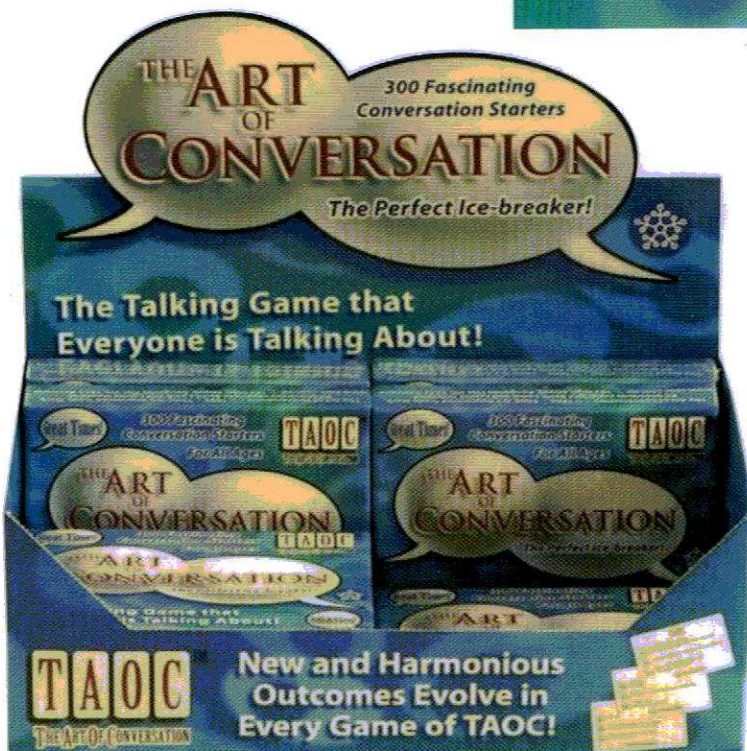

New and Harmonious Outcomes Evolve in Every Game of TAOC!
