

Maths Investigation

A Partridge in a Pear Tree

1. How many of each item did the lady receive from her true love according to the song 'The Twelve Days of Christmas'?
2. Work out the cost of each item.
3. What was the total cost of all the items?
4. What would the 'cheapie No Frills' version of the list be?
5. How much would the cheapie version cost?

CHALLENGE : Present your findings as a PowerPoint presentation.
