## *Gifted Resources News*

It is June already!

This month the report of the Victorian Parliamentary Inquiry into the Education of Gifted and Talented Students in Victoria

<http://www.parliament.vic.gov.au/etc/article/1373> will be tabled.

Applications for the Yvonne Perrett Scholarships close on 30 June.

New Zealand will celebrate Gifted Awareness Week and I will join bloggers from around the world on the associated blog tour.

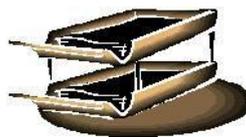

Sprite's Site celebrates its blog birthday in June.

Last month we concentrated on the issues relating to early home life and identification of giftedness by following the life of Twitter birds, Tweet and Retweet, and their gifted Tweetlets.

While gathering information for the series I enjoyed a couple of great discussions with Lesley Sword and David Harrison of Gifted and Creative Services Australia <http://giftedservices.com.au/index.html> who are now living in Gippsland and still working with gifted adults and children.

I have just updated contact details in the Psychologists and Education Consultants section. Please let me know if I do not have your current contact details.

### Weekend Camp for Gifted Children aged 6-12

### HARRY P and the Professors in Melbourne

*We are now taking enrolments for our 2012 Weekend Camp for gifted and talented children in Victoria. For the past 20 years I have been running these camps. We offer them in NSW, ACT, WA and Victoria.*

*The strength of the camps has always been the children themselves. Giving gifted children the opportunity to spend time with like minded peers engaged in interesting or challenging activities and social experiences is vital for their wellbeing.*

*"If gifted and talented students are to achieve their potential, they require expanded educational opportunities beyond the scope of the regular school program. The students need to explore different career options, crafts, ideas and skills that challenge their abilities. Our children need personal attention, adult commitment, role models they can admire and talk to."(Hegeman, 1987, p123) The camp aims to address some of these needs within a fun supportive environment.*

**WHEN:** 7.30pm Friday 19th to 3pm Sunday 21st October 2012

**WHERE:** Gilwell Park, Gembrook Victoria

**AGES:** 6 - 12 year olds children under 8 years must be accompanied by a parent or guardian . Parents of all children are very welcome.

Younger siblings as part of family group are very welcome.

**FEES:** Registration includes accommodation in shared bunk houses, all meals, all activities, workshops and materials. Most special dietary needs can be met.

**PROGRAM:** Join the Professors for 2 days of fun and exciting activities based on J K Rowling's Harry Potter Series. We will have a wide range of activities, workshops, games and exploration time.

Classes will include potions, transfiguration, magical creatures and more. Enjoy the inter-house competition and a game of Quiddich and a visit to Diagon Alley.

Activities will require your creative, imaginative, scientific and problem solving skills. An extensive knowledge of the books is not essential. Novice and highly experienced Hogwart's students all welcome.

**FACILITATOR:** Helen Dudeney MEd (COGE)
